Re: Letter of Intent

Dear President Pustis & Board Members:

With this letter I wish to record my intent to run for a board position on the Lincoln-Way District Hockey Club. My son Will is a Sophomore at Central, and for the last two seasons he has played for the JV Red team.

I have worked over twenty years as a Senior Administrative Assistant and also have volunteer experience as a recording secretary.

I wish to offer my organizational skills and to promote the hockey club throughout the Lincoln-Way area. Thank you for your consideration.

Respectfully submitted,

Julie Blackwell
